

## FLORIDA NEGRO IS JAILED IN SHOOTING CASE

Willie B. Smith, 32, Eustis, Fla., and Orrtanna R. D., is in Adams County jail today charged with a violation of the uniform firearms laws as a result of the shooting of two fellow migrant laborers November 1.

Smith entered a plea of guilty Saturday afternoon to the uniform firearms code violation before Justice of the Peace Robert P. Snyder.

The Fort Eustis negro had fled the scene November 1 after firing shots with a .32 caliber revolver which wounded Matthew Copeland, 55, Eustis, Fla., and Bonnie Lee Baty, 30, also of Eustis.

**Nabbed On Return**

All three men had been at a migrant labor camp near Orrtanna. During an evening's discussion, an argument evolved which led to the shooting at 1:30 o'clock in the morning. Copeland went to the Warner Hospital with a flesh wound on the left side. Baty went to the hospital with wounds of the hand and hip. Smith left for parts unknown in his car.

State police said that both Copeland and Baty were of the opinion that their friend Smith had acted a little rashly but didn't feel any charges should be pressed. The county, however, determined to discourage future shootings, was not inclined to be so lenient.

So when Smith arrived back in Gettysburg to pick up some personal effects, police nabbed him and brought the charge before Snyder.

## YOUTH ADMITS BOAT THEFT; FREE ON BAIL

Robert Clay Ruppert, 19, Hampton, was charged Saturday afternoon by state police with larceny of a rowboat and an outboard motor and after pleading guilty to the charges was released by Justice of the Peace Robert P. Snyder on \$1,000 bail to appear for sentence by the Adams County court.

State police said Ruppert took a 12-foot aluminum rowboat valued at \$185 and owned by Harold Raymond Heverly, 39, New Oxford R. 2, by cutting the chain that bound the boat to a tree on the bank a Heverly's cottage at Brown's Dam on the Conewago Creek, near Hampton. The theft occurred between October 4 and 25, police said.

They alleged that Ruppert took a two-cylinder, five horsepower outboard motor owned by Nevin Snell, 25, of E. Prospect St., York, removing the motor from a boat owned by Snell and tied in front of Snell's cottage on the Conewago Creek about a tenth of a mile from East Berlin, between November 1 and November 7.

According to police Ruppert made the tactical error of using the motor on a boat which passed Snell's cottage. Snell, looking out across the Conewago, saw the boat go by with what looked suspiciously like his missing motor.

He notified police of his suspicions. They started checking and Saturday afternoon came across Ruppert, who, admitted the larceny and produced the motor. After taking Ruppert into custody, the officers recalled that there had been a report of a missing boat as well as a report of a missing motor. They went snooping and found the boat on Ruppert's property. He admitted to that larceny charge also.

## WORLD WAR II VETERAN DIES ON SATURDAY

Samuel R. Himes, 36, 243 Baltimore St., died Saturday evening at 11:45 o'clock at his home of a coronary occlusion.

In ill health for many years, he had spent seven years after World War II in the Veterans Hospital at Coatesville. He had, however, been in fair health Saturday afternoon when he suddenly became ill. His physician was summoned and he apparently was recovering when he was stricken again at 11:15 o'clock Saturday night and death followed 30 minutes later.

A veteran of World War II, he entered the Army October 25, 1943, and served as a private first class with Company G, 175th Infantry, 29th Division, in Europe. He was discharged February 27, 1946. He served in Europe from July 1, 1944, to February 10, 1946, winning a number of battle stars. He was wounded in action.

He was a member of the Albert J. Lentz Post of the American Legion and of Gettysburg Post 15, Veterans of Foreign Wars.

A native of Bedford County, he was a son of Mr. and Mrs. Chester S. Himes, of Defiance, Pa. Surviving in addition to his parents are his wife, the former Mina E. Rosenberry, whom he wed August 7, 1948, and these brothers and sisters: Mrs. Paul Keiffman, Falls Church, Va.; Mrs. Theodore Dent Jr., Silver Spring, Md.; Mrs. Robert Shontz, Saxton, Pa.; and James Himes, Woodbridge, Va.

Funeral services Wednesday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Robert A. MacAskill officiating. Interment in the Gettysburg National Cemetery. Mrs. Joseph Codori, chairman of the local National Foundation unit, said families on the files of Public Assistance and Welfare have been notified of the opportunity to receive the free shots. A similar clinic will be held for second shots a month from Wednesday.

## Four Members Of Wealthy Kansas Farm Family Are Bound, Gagged And Slain

GARDEN CITY, Kan. (AP)—In a farm home far off the beaten path of this vast wheat area four members of a respected, well-to-do family were murdered over the weekend.

Herbert Clutter, 48, his wife, Bonnie, 45, their daughter, Nancy Mae, 16, and son Kenyon, 15, were bound hand and foot and gagged. All were shot in the head. Clutter's throat was slashed.

The victims were slain by a shotgun. Neither the gun nor the weapon with which Clutter's throat was cut have been found.

Nothing in the house was in disarray. No valuables appeared to be missing. Money which Nancy had placed in an envelope for church lay on her bedroom dresser beside a diamond ring.

The coroner, Dr. Robert Fenton, said Mrs. Clutter and Nancy apparently were not molested sexually. He placed the time of death between 11 p.m. Saturday and 2 a.m. Sunday.

The Clutters gave a ride each Sunday to two of Nancy's schoolmates. The girls, Mary Ewalt and Susan Kidwell, stumbled on the killings when they were driven to the Clutter home.

Clutter was a founder of the Kansas Assn. of Wheat Growers. He was a past president of the National Wheat Growers Assn., president of the Garden City Equity Exchange, a director of the Consumer's Cooperative. President Eisenhower appointed him in 1954 to the Federal Farm Credit Board. Clutter declined reappointment two years later.

The family apparently had been ready to retire when they were attacked. All except Kenyon were in pajamas. The boy wore blue jeans and a white T-shirt.

The bodies of Mrs. Clutter and Nancy were in separate bedrooms. Clutter and Kenyon were found in the basement.

The home, seven miles west of Garden City, is nearly a mile from the highway.

## 3 ACCIDENTS INVESTIGATED OVER WEEKEND

John P. Laughman, 25, Hanover R. 5, suffered lacerations of the right hand and face in one of three auto accidents investigated by state police over the weekend.

Laughman was treated at the Warner Hospital. He was the only person listed as injured in the crashes.

Police said Laughman was driving west on the Lincoln Highway at its intersection with the Knoxlyn Rd. Saturday evening at 7:10 o'clock. According to the officers, Laughman attempted to pass another car and collided with an eastbound auto operated by Lawrence Bowmaster, 59, Orrtanna R. 1. Damage was estimated at \$250 to Laughman's auto and \$100 to Bowmaster's coupe.

No injuries were reported when cars operated by Marvin Charles Nelson, 34, Uniontown, Md., and Stanley Eugene Miller, 18, Westminster R. 3, collided four-tenths of a mile south of Littlestown on the Westminster Rd. Saturday evening at 5:30 o'clock. According to police, Miller was going north and attempting to make a left turn when his vehicle was struck by Nelson's car which was in the act of passing Miller. Damage was estimated at \$150 to the two autos.

Paul J. Brantnet, 42, Fairfield R. 1, escaped injury while damage to his auto was estimated at \$75 when the car left the Mt. Hope Rd., three miles west of Fairfield, at 2:30 o'clock Sunday afternoon. Police said Brantnet was going down hill when he lost control of the auto on a curve and it left the highway, striking a tree.

## New Oxford Man Is Charged After Crash

## NEW DISPUTE BY CORONERS LOOMS TODAY

The "dispute" between the York County and Adams coroners may be headed for another go-around.

Dr. C. G. Crist, Adams county coroner, has announced plans for an inquest into the deaths of Mrs. Helen Bowers, 61, and Mrs. Alma M. Tressler, 68, both of Littlestown, who died instantly in an auto accident Friday night at Mt. Pleasant, in Conewago Twp. between Hanover and Littlestown.

Dr. Crist said the deaths occurred in Adams County and as a result he is responsible that an inquest be held to determine the cause.

**Several Possibilities**

Two others in the car with Mrs. Bowers and Mrs. Tressler died sometime after the accident at the Hanover Hospital in York County. They were Mrs. Bowers' husband, Harry E. Bowers, and Miss Lillie Harner, also of Littlestown.

The York County coroner, Dr. Thomas M. Hart, said, according to York newspapers, that he feels Dr. Crist should investigate the other two fatalities because the injuries occurred in Adams County. Dr. Crist says the law and custom decree that the coroner investigate who signs the death certificate showing that the death occurred in his county.

The "feud" goes back to last December when Ervin Levi Harbold, York Springs R. 1, was injured in Adams County and later died in York County at the Hanover Hospital.

As things stand at the moment there could be only one inquest — into the death of the two who died in Adams County; there could be two inquests — one in Adams County and one in York County; or the two coroners could follow the system used when four persons were killed on the Sunshine Trail several years ago, with some dying in Adams County and some in Franklin County. Then the Adams and Franklin county coroners jointly held an inquest to determine the cause of the deaths.

## COUPLE WED SATURDAY IN BENDERSVILLE

Miss Jo F. Orner, daughter of Mr. and Mrs. Emerson Orner, Bendersville, and Wallace Rice, son of Mr. and Mrs. Ralph E. Rice, Biglerville R. 1, were united in marriage Sunday afternoon at 2:30 o'clock in the Bethlehem Lutheran Church, Bendersville. The double-ring ceremony was performed by the Rev. Dr. O. D. Coble, pastor, and Rev. P. J. Horick, grandfather of the bride. Mrs. O. D. Coble presented a 30-minute organ recital preceding the ceremony and accompanied the soloist, Mrs. Luther Horick, Bendersville. The altar was banked with white chrysanthemums, palms, lilies of the valley and candelabra.

The bride, given in marriage by her father, was attired in a gown of Chantilly lace over satin and tulle. The tunic effect top of Chantilly lace, which was adorned with sequins and seed pearls, fell over an aisle-wide bouffant skirt of tiered tulle ending in a chapel train. Her Juliet cap and elbow-length veil were also embroidered in sequins and seed pearls. She carried a cascade arrangement of white roses and carnations with streamers of ivy.

## HUBBY'S BEST FRIEND BARS WIFE'S GRANT

Paul A. Lenig, New Buffalo, Pa., a carpenter, was ordered by the Adams County court this morning to pay \$40 per week for the support of his six children, but none for his wife.

Mrs. Lenig, Gardner's R. 1, had sought support for herself and children. Lenig said he was willing to support the children but that he didn't feel he should support his wife because of a "man in the case." Mrs. Lenig held the man was Lenig's best friend and declared Lenig had given his permission for her to go out with the friend once a week.

The court was to continue this afternoon with additional support hearings, plus arguments on four civil cases.

**Four Divorces Granted**

The court appointed George Henry Myers as a school director for the Conewago Independent School District following receipt of a petition from patrons of the district stating that the term of Irvin Gross will expire the first Monday of December and urging Myers for appointment to a six-year term to fill the vacancy caused by the expired term.

Decrees in divorce were handed down in the following suits:

## SAUDI ARABIA ASKS UN FORCE BE WITHDRAWN

Editor's Note — Saudi Arabia admits reporters from outside only on rare occasions. Wilton Wynn, Associated Press correspondent in Cairo, recently was allowed to visit the Arabian kingdom. This is one of his dispatches, delayed in transmission.

By WILTON WYNN  
 RIYADH, Saudi Arabia (AP) — King Saud wants the United Nations Expeditionary Force withdrawn from the Aqaba Gulf area and the restoration of the Arab ban on Israeli shipping in the gulf. The King's political counselor, Jammal Hussein, made this statement on behalf of the Saudi Arabian monarch to three American correspondents in the royal palace.

The newsmen had sent the King a set of questions. After discussing them with Hussein, he authorized his counselor to reply in his name.

**Cites 1957 Promise**  
 Saud's "opinion of United States Arab policy in general is a very good one. The question of the existence and support of Israel is the only source of misunderstanding between the Arab-Moslem world and the United States," Hussein said.

But Hussein said President Eisenhower promised Saud in 1957 that no aggressor in the 1956 Suez war would be allowed to annex any territory, and "we are still waiting and urging that this promise be fulfilled."

"Until now United Nations forces are still in Sharm el Sheikh to ensure the free passage of Israeli shipping in the Gulf of Aqaba," he continued. He said the king feels that the U.N. force should withdraw from Sharm el Sheikh and has written Eisenhower several times officially and privately to this effect, although not lately.

**Israel's Only Exit**  
 The Gulf of Aqaba is Israel's only exit to the Red Sea. Because the United Arab Republic bars Israeli shipping from the Suez Canal, it is also Israel's only direct water route to her markets in East Africa and the Far East. Prior to Israel's Sinai campaign in 1956 and the arrival of the U.N. force along the gulf, U.A.R. guns on the west bank and Saudi Arabian positions on the east prevented Israeli shipping from using the Aqaba waterway.

The King, his aide continued, regards Israel and Zionism as cancer in the body of the Arab world, and "there is no medical treatment except its removal." But he is not advocating the use of force to destroy Israel.

## KEY ADVISORS SUMMONED TO BUDGET MEET

AUGUSTA, Ga. (AP) — President Eisenhower, hopeful of balancing the 1961 budget, confers on the military half of it today with key defense and financial counselors.

At Eisenhower's request, Secretary of Defense Neil H. McElroy is flying the military budget down from Washington for a meeting in the trophy room of the Augusta National Golf Club.

The President is getting a work-play vacation at the club before his December tour of 11 nations in Europe, Asia and Africa.

Eisenhower summoned nine other officials from Washington, including Budget Director Maurice Stans and the chairman of the Joint Chiefs of Staff, Gen. Nathan Twining.

**\$120 Billion**  
 In this year's budget, for the 12 months ending next June 30, total spending is estimated at nearly 79 billion dollars and defense costs at nearly 41 billion. The advance word in Washington was that the administration wants to hold defense spending in the new budget at 41 billion. Other outlays possibly could go up a billion or two.

But revenue also is expected to pick up and Stans has said the 1961 budget probably will be balanced.

There have been reports that Eisenhower is striving to show a surplus, a big one, for 1961, to show how to manage its money.

This year's budget has been teetering between red and black. It is a question now whether it can wind up with a surplus after the impact of the steel strike on personal, corporate and government incomes.

**Mention Surplus**  
 If a surplus does turn up, it will be only the third Eisenhower has achieved in seven tries.

It was learned in Washington that the Budget Bureau, normally concerned with government money matters, was reported to have sent a memo to McElroy that touched off special sessions between top officials of the armed services and the Pentagon.

The memo was said to have proposed, among other things, broad changes in the Army's present mission. It indicated the Army should devote its efforts to preparing for only small, limited wars, and should withdraw from planning for coping with global war.

## JUSTICE DEPT. FILES SUIT ON TENN. ELECTION

WASHINGTON (AP) — The Justice Department today filed suit at Memphis, Tenn., challenging the validity of a "white primary" conducted last Aug. 1 in Fayette County, Tenn.

The action, brought against the Democratic Executive Committee of Fayette County under the Civil Rights Act of 1957, was the first racial discrimination in an election.

Three previous cases filed to preserve Negro voting rights concerned alleged discrimination in voting registrations.

### Ask Injunction

The Memphis suit asked for an injunction to prohibit the Fayette County Democratic organization from preventing Negro participation in primary elections for local office.

The complaint alleged that Democratic nominations in Fayette County are tantamount to election. No other party has offered a candidate for local office in Fayette County since reconstruction days.

The suit said the Fayette County Democratic Executive Committee, composed of representatives of the 15 voting districts in Fayette County, are responsible for calling and conducting local primaries, including designating the election officials.

### Excluded Negroes

The government charged that about five weeks before the Aug. 1 primary, the committee adopted a resolution excluding Negroes from the primary and on election day placed a notice on each ballot box barring Negroes.

According to the suit, the notice said: "Only White Democrats are authorized to vote in this primary."

"If any Negroes should ask to vote in your district, they are to be informed that this is a white Democratic primary and not a general election."

The complaint said that as a result, several Negroes who tried to vote were turned away by election officials.

## 3 BROTHERS BURN TO DEATH WHILE ASLEEP

PITTSBURGH (AP) — Three young boys, asleep in their second floor bedroom, perished today in a fire in Pittsburgh's Greenfield section. The children's grandmother and their father were injured.

Fatally burned were Jimmy Jennings, about 9; and his two brothers, Nicky, about 7, and Gregory, 5.

In Homestead Hospital was their paternal grandmother. She was critically burned.

Vincent Jennings, the father, was burned about the face.

His wife and five daughters fled with the help of firemen.

Choking smoke and flames prevented rescuers from reaching the boys trapped in their second floor bedroom.

The Rev. George Deville of St. Rosalia Church administered the last rites of the Roman Catholic Church to one of the boys in a police ambulance en route to the hospital.

### Neighbor Discovers Blaze

Sam Alesante, a neighbor, discovered the blaze shortly after 7 a. m. He said:

"I saw smoke coming out of windows and doors. I broke open the front and rear doors of the first floor windows and started to yell."

The father was the first to leave the burning structure. With the help of neighbors they raised a ladder to a front porch roof where the mother and her five daughters waited.

Some were carried down the ladder, others were dropped into waiting arms below.

Mrs. Matilda Beaver, another neighbor, said:

"I heard screaming. I looked out and saw them (the mother and five daughters) on the porch roof. I awakened my husband."

Deeds have been filed in the office of the register and recorder for property transfers as follows:

Franklin R. and June R. Bigham, executors of the will of Jane R. Bigham, late of Biglerville, to C. H. Musselman Co., Biglerville, a tract in Biglerville, \$25,000.

## ROCKEFELLER GIVES TALK ON AUTOMATION

BUFFALO, N.Y. (AP) — Gov. Nelson A. Rockefeller turned today to one of organized labor's main concerns — automation — and said the key to solving this problem was to expand the economy.

A healthier economy, Rockefeller said, could provide the jobs for workers displaced by automation.

Automation refers to the technological developments in industry that result in more production from fewer workers. It is at the root of many of today's labor-management disputes.

Rockefeller dealt with the subject in a speech prepared for delivery at the annual convention of the New York State AFL-CIO.

### Home From West

Over the weekend, he completed a four-day tour through California, Oregon, and to Seattle and Boise, Idaho, where he was reported to have impressed Republicans with his appeal as a possible Republican nominee for president.

California and Oregon are regarded as strongholds of Vice President Richard M. Nixon, Rockefeller's chief rival for the GOP nomination.

Observers felt that, although the New York governor did not create a surge in his banner in these states, he perhaps succeeded in undermining some of Nixon's strength.

### Will Decide Soon

"I'm for Nixon, but—" said a Pasadena, Calif., party leader after getting a look at the smiling and bouncy Rockefeller.

During his travels, Rockefeller also narrowed the date when he will announce whether he will run for the nomination.

"I would think there will be an announcement somewhere between Jan. 15 and Feb. 15," he told newsman.

Previously he had said only it would be after he had presented his program to the 196 state Legislature, which convenes in January.

## URGE SLASH IN INCOME TAXES

WASHINGTON (AP) — Prompt congressional action to reduce income taxes was urged today by the National Assn. of Manufacturers.

A thorough revamping of tax rates should boost annual personal incomes by at least 40 billion dollars within eight years, the NAM said.

The views were presented to the House Ways and Means committee by John C. Davidson, vice president of the NAM's Government Finance Division. The committee opened a five-weeks tax study hearing today.

Davidson did not suggest specific amounts for tax reductions.

Joseph Sneed, a Cornell University law professor who believes in cutting income tax rates, also testified. He had sent recommendations in writing to the committee.

### Slash Maximum Rate

Sneed's suggestions included a proposal that the maximum rate applied to individuals be held to 30 per cent, instead of the present 91 per cent and that "the starting point might well be moved to a point lower than the present 20 per cent."

Sneed also said the income tax structure would be improved by the entire or partial elimination of corporate tax.

After gathering the technical testimony, all by invited witnesses, the committee will prepare recommendations to be thrashed out at regular legislative hearings after Congress reconvenes in January.

### FLEES INITIATION

TULSA, Okla. (AP) — A high school boy fled from a social club's initiation ceremony early Sunday and disappeared. He was last seen swimming in the frigid Arkansas River.

Officers said John Mackenzie and another pledge to the social club, Eugene Blevins, each 15, started swimming across the river after running away from the initiation.

E. E. (Rip) Miller, assistant director of athletics at the U.S. Naval Academy, played tackle for Notre Dame's 1924 team.

North Carolina and Michigan State will meet for the first time in football in 1962. They will meet at East Lansing, Mich.

### TOO MANY DEER

COLUMBUS, Ind. (AP) — A deer and a deer tangled on U.S. 31 north of here Sunday night, resulting in a damaged car and a missing deer.

Donald Deer, 24, Indianapolis, was returning home with his family when a big buck deer dashed in front of his car.

No one in the car was hurt, but the deer must have been. Deer said. However, he couldn't find it.

### NOT GOOD ENOUGH

## PUC STUDYING CABS' REQUEST

The Public Utility Commission is considering a request from Hanover Cabs, Inc., for additional rights to transport persons and baggage to areas in York and Adams Counties.

At a hearing on Friday in the court house at York, Charles E. Flickinger, proprietor of the cab firm, testified in support of his application designed to co-ordinate and expand existing services.

Flickinger, who was represented at the hearing by Attorney Harry H. Frank, Harrisburg, seeks rights which would permit him to operate between McSherrystown, Littlestown, New Oxford, and Abbotstown and Conewago and Berwick Townships in Adams County and Hanover and Spring Grove and Penn Townships, York County, to places within five miles of the area.

According to N. B. Dobosh, hearing examiner, the commission would announce its decision later on Flickinger's application. There were no protests at the hearing.

a feather headpiece of evening blue and a chin-length veil, full-length gloves and shoes of the same shade completed her costume. She carried a cascade bouquet of yellow and white chrysanthemums with ivy streamers.

The bridesmaid, Miss Darlene Darr, York Springs, wore a ballerina-length gown of amber colored silk over tulle with accessories of amber. Her gown and headpiece were similar to that worn by the matron of honor.

Her cascade arrangement was of yellow and bronze chrysanthemums with ivy streamers. Miss Amy Orner, sister of the bride, was the flower girl. She wore a silk and tulle gown of dusty pink.

Her floor-length bouffant skirt was made of tiers of silk and tulle. She carried a nosegay of pink and white chrysanthemums with ivy streamers.

The bridegroom, John J. Hearne, Irish ambassador to the United States, told an overflow congregation of more than 500 at Zion A.M.E. church Sunday his government "will do everything in its power" to help the family of Jossie Hamlin, 56.

She was struck down on a Washington street last week by an auto driven by Hearne's son, David, 21.

Invite To Pulpit

The young man, who claimed diplomatic immunity, said he hit Mrs. Hamlin, a widow, while trying to avoid another pedestrian.

Ambassador Hearne was invited to the pulpit by the Rev. M. D. Nathan, who assured him that "our people do not have any ill will. It was just an accident—something that couldn't be helped."

Hearne and his son were the first to pass the casket. They left the church by limousine as pallbearers moved the casket to the graveside, 200 feet from the church.

William S. Thompson, attorney for Mrs. Hamlin's family, said he held two conversations with the ambassador before the funeral. It was indicated that a financial settlement will be made, the attorney added.

STOCKS SLIP

NEW YORK (AP) — The stock market lost more ground in fairly active trading early this afternoon.

A few specially recommended stocks spurred but the pivotal industrials and rails slid lower.

Losses of key stocks went from fractions to about a point. The gainers picked up as much as 2 or 3 points.

Steels, most motors, chemicals, oils and airlines declined. The electronics showed spotty strength. Tobaccos were a bit higher. Nonferrous metals improved irregularly.

Output Hurt By Steel Strike

WASHINGTON (AP) — Effects of the steel strike have cut deeper into the nation's industrial output than had been expected, the government reports.

Commerce Department figures released Sunday showed the Gross National Product—the value of all goods and services produced—was held to an annual rate of slightly more than 47½ billion dollars in the July-September quarter.

That was a drop of nearly 3 billion from the record annual rate of 49½ billion dollars for the April-June period.

The President's Council of Economic Advisers had estimated last month that the GNP dropped to 48½ billion dollars in the July-September period.

Personal spending, in comparison with the April-June quarter, was up more than two billion dollars to an annual rate of 31½ billion. Government spending was up more than 1½ billion dollars.

WASHINGTON (AP) — The government reported today that private housing starts fell 13 per cent last month—much more than usual for this time of year.

The annual rate on housing starts in October was 1,180,000, the Census Bureau estimated. This figure, adjusted for seasonal fluctuations, was sharply below the September rate of 1,325,000.

## GOP SENATORS DID NOT TALK BORROWING ACT

HARRISBURG (AP) — Senate Republicans say they haven't discussed a proposed 146-million-dollar increase in the borrowing capacity of the General State Authority.

The proposed increase is one of the controversial items on the agenda of the Legislature which returned today for a concentrated drive this week to wind up the year's business.

The issue would affect projects that touch just about every section of the state.

They include new office and college buildings, state parks and flood control projects.

"We haven't really discussed that yet," said James S. Berger, Senate Republican majority leader. "I don't know what increase there will be, if any. However, there are some projects relating to state teachers colleges and various other things that need some attention."

### Five-day Session

With both chambers scheduling a full five-day session this week, other controversial items appeared headed for a showdown soon.

A compromise solution has been advanced for a proposed 55-million-dollar school subsidy. Under the plan the increase would be authorized with the stipulation that it take effect when revenue becomes available.

This would allow postponement until the 1960 session of the problem how to finance the subsidy.

The only revenue measure now pending that might provide funds for such a boost is the personal property tax. The Senate GOP majority has written the tax off as dead, however.

### Won't Sign Bill

Gov. Lawrence has stated he would not sign his name to the increase without an accompanying tax, but it was reported unofficially that he might be amenable to the plan of making it effective when a tax is passed.

Both House and Senate leaders have said no further new taxes will be imposed this session.

That position left the administration's request for a penny increase in the five-cents-a-gallon gasoline tax increase under a cloak of uncertainty.

In a last-ditch effort, Highway Secretary Park H. Martin is scheduled to appear before the Senate Republican caucus to appeal for their support. The house passed the tax increase weeks ago, but it has been pigeonholed in Senate committee.

PHILADELPHIA (AP) — A manslaughter charge for the death of a mother and her infant son has been brought against a man with two drunken driving convictions.

Police said Wells' car went out of control Saturday on the Pennsylvania Turnpike and collided head-on with a car driven by Harry M. Jarrett, 23, of Philadelphia.

From the Files of the Star and Sentinel and The Gettysburg Times

## ONE HUNDRED YEARS AGO

The Adams Sentinel: This number commences the 60th year of the existence of our time-honored journal, and the 44th since the present Editor took charge. It has passed through many a hard storm, but its flag still floats triumphantly, as proud and fresh as when first unfurled. Its gallant crew of supporters has never been larger, nor its influence more felt. To those who have stood by it through sunshine and through storm, we tender our kindest feelings of gratitude; and we hope they may ever rally around our flag, and lend their aid to make fresh enlistments for the good old cause. The old "Sentinel" will ever be found battling for the right — it has done it "many's the time and oft," and its flag now floats proudly in the breeze, giving good evidence for the future—Robert G. Harper.

We call attention to the advertisement of J. A. Gardner of York Springs. We took occasion to pay a visit to a friend in that place a few days ago and embraced the opportunity of examining the establishment of Mr. Gardner. We were surprised to find so large and beautifully arranged a store. There appears to be "a place for everything and everything in its place." His assortment is very large and choice, and his three ample rooms give space and opportunity to exhibit everything to advantage. It is one of the nearest establishments we have seen in many days.

The election for President and Managers of the Gettysburg and took place on Monday last and resulted in the choice of the following gentlemen:

President, William D. Himes; Jacob Wirt, George Swope, Robert McCurdy, J. H. McClellan, Marcus Samson; treasurer, John H. McClellan.

Mr. C. P. Bream, who purchased the Waugh farm last fall, is having a new roof put on his house. The one taken off was put on in 1823, at the time the house was built.

The weather still continues beautiful, giving farmers a fine opportunity for doing up their fall work.

## Today's Talk

## TREAT YOURSELF

Robert Updegraff, in one of his recent helpful books, says to "Treat yourself to all the time you need." To do so should lead us all into "pleasant pastures" where the mind can do a little treating to itself. How easy it can be to treat oneself to something exciting and new. Something long dreamed about, or something unexpected. We don't need to regret the loss of time that we didn't need.

Treat yourself to an event or a treasured thought that someone else may have presented to you as a free gift — "Not to be opened until Christmas!" A quaint little surprise, perhaps, or an experience never before encountered.

In a beautiful letter Vachel Lindsay wrote to Mrs. Harriet Moody, he said: "I wish I had an angel for a friend who would always show me myself infallibly, listen to me interminably, remember everything I said encyclopedically and never weary of the job."

What a treat it would be to have a guardian angel to pilot us through life! Perhaps we do have one without knowing! We are blessed in so many ways. All of our blessings should be shared. We are apt to run into these blessings every day. We ought to be prepared for them. There is a popular song with a line in it suggesting that we count our blessings each day — "one by one."

Every time we present our blessings to someone else, we enrich our own. We can call this "treating ourselves" and this is what it amounts to anyway. Making someone else happy is one of the most useful facts in life!

Tomorrow Mr. Adams will talk on the subject: "Significance of Things."

## Just Folks

THE HOME TOWN PAPER  
It's like a smiling, friendly face;  
It's like a voice you long have known.

You see it in some distant place  
And rush to claim it for your own.

The paper from your old home town  
Has bridged the long and dreary miles,  
And with it you can settle down  
Among familiar tears and smiles.

It speaks of every friend you know,  
It tells of scenes you yearn to see;  
It brings back joys of long ago  
And tells of joys that are to be.

And as you run its columns o'er,  
Your yesterdays come trooping back;  
You fancy you're at home once more,  
And golden seem the letters black.

Its speech is one you understand,  
It tells of grief that you can share;  
It brings you, in that distant land,  
Glad messages to banish care.

There, among scenes and faces strange,  
The old-home paper seems to be  
The faithful friend that doesn't change,  
A friend that you are glad to see.

## GAVE BLOOD TO ARMY CHIEF LAST 2 WEEKS

MIAMI, Fla. (AP) — An American woman says she donated blood directly to Maj. Camilo Cienfuegos while the Cuban government sponsored a widespread search for him.

A copyrighted story in the Sunday Miami News quoted Vani L. Maris, 39, a practical nurse, as saying Cienfuegos lay apparently near death during the transfusion Nov. 5.

Cienfuegos, who disappeared Oct. 28 en route from Camaguey to Havana in a light plane, was mourned by the Cuban government minister Saturday.

Mrs. Maris could not be reached for elaboration on her statements. She was described as a native of South Dakota and former medical technician in Reading, Pa.

The news said Mrs. Maris, wearing nurse's dress because it "opened doors" went to Camp Liberty near Havana after reports that Cienfuegos was injured in a plane crash. She asked to give blood for the major, whom she knew personally.

The transfusion was made in 30 minutes and Mrs. Maris left with a receipt which said she gave blood for Cienfuegos, one of Prime Minister Fidel Castro's top revolutionary lieutenants.

She said she heard nothing about Cienfuegos' condition afterward and left Cuba for Miami at the request of a Cuban officer Wednesday.

Castro indicated in a radio-TV speech Thursday that the popular Cienfuegos disappeared in the Atlantic Ocean off Cuba's north central coast.

## MINE OPERATOR FOUND SLAIN IN SHACK SUNDAY

MURFREESBORO, Ark. (AP) — Police today combed what is termed North America's only diamond field for clues in the murder of a mine operator.

Ellis E. Fagan, 58, was found shot once in the head early Sunday, lying on a bed in a shack on the Martin mine, which adjoins the Crater of Diamonds.

The two mines are part of a diamond-producing field that has yielded several valuable stones.

Police could find no motive for the murder. Deputy Sheriff Charles Holder said the killer placed the death weapon, a pistol, in Fagan's left hand after the shooting.

**Right Hand Creased**  
This was determined because Fagan's right hand had been creased by the bullet that killed him. He could not use his left hand because of arthritis. The gun had been fired once.

Holder said Charles G. Bard, 27, of New York, who had been in the area for about 13 days searching for diamonds, was arrested for questioning.

Fagan's job was selling \$1.50 shares in the Martin mine to tourists, who then were allowed to search for diamonds on the mine site.

TRENTON, N. J. (AP) — New Jersey's cranberry crop is fit for human consumption, according to the State Departments of Health and Agriculture.

## HENRY COOPER, JOE ERSKINE FIGHT TUESDAY

**By THE ASSOCIATED PRESS**  
Since Ingemar Johansson ended Floyd Patterson, American boxing fans have been paying more attention to bouts in Europe and Britain. That is why there is interest on this side of the pond in Tuesday's British Empire and British heavyweight title match between champion Henry Cooper and ex-champ Joe Erskine.

If Cooper hadn't asked so much money (\$140,000) he might have had the shot at Patterson that went to Brian London last May. Who knows what might have happened?

Cooper remained at home with the title he won by outpointing London last Jan. 12. He defended it in August against Gwile Deklerk. Tuesday he will give Erskine another chance. It was Erskine who was beaten by London in 1958 when Brian won the championship. Incidentally, both Cooper (1957) and Erskine (1958) were stopped by Johansson.

**Heavyweight Here, Too**  
For television viewers, heavyweights also will be the feature dish on the Wednesday series. Zora Foley, the ranking contender from Chandler, Ariz. will box young Alonzo Johnson of Pittsburgh at Phoenix, Ariz.

This is going to be one of those black tie, evening gown and dancing under the stars affairs at a motel in Phoenix. Prices for the charity affair are \$25 for boxing, dinner, cocktails and dancing.

The nation gets in free on ABC-TV.

## Buffalo Muzzles Bullets 19-6 In Steady Downpour; Butler Gets TD On Pass

It's been a long time since the Bullets of Gettysburg College have played on a dry field and Saturday was no exception as the Buffalo Bulls handed the Battlefields a 19-6 defeat in a steady downpour on Buffalo's Rotary field before 2,000 faithful fans.

In winning, Buffalo rolled to their fifth consecutive win and now own a 6-1 record while the Bullets are 4-4 on the season and will play host to the Owls of Temple next Saturday in the final game of the season.

Buffalo jumped to a quick 6-0 lead with only 4:10 minutes gone by in the first frame. The Bulls gained possession of the ball on their own 43 following an Ernie Veltun punt. Short ground gains by Gordie Bukaty and Willie Evans and a 15-yard penalty against the visitors placed the ball on the Gettysburg 14. Evans, who was the Bulls' leading ground-gainer with 108 yards, bolted right tackle from the 14 and the touchdown. Bukaty's pass for the extra point was broken up by Eddie Lucas.

**Bulls Drive 84 yards**  
The home team's second score came late in the first half with 2:25 minutes remaining. Second string fullback Gene Reilly, 185-pound sophomore, skirted left end from 28 yard, out and Bukaty added the placement making the score 13-0 at intermission. The touchdown drive covered 84 yards on 10 Buffalo plays.

The Bulls iced the game in the third quarter with 1:50 minutes showing on the score board clock. With the pigskin resting on the Buffalo 40 via a quick kick by Don Carpenter, MacDougal and Guerrie moved the ball to the Bullets' 44 on 2 carries. On two completed passes from Guerrie to left end Carley Keats, one for 24 yards, the Bulls had advanced the ball to the Gettysburg 13. Two plays later Guerrie spotted Evans in the end zone from 11 yards out and the Bulls had their third TD. Guerrie's conversion pass from the eight, after a five-yard delay of the game penalty, fell short.

**O'Malley Recovers**  
Gettysburg's lone TD came late in the game. Carpenter booted a 33-yard punt to West Wertman who fumbled and Tom O'Malley pounced on the loose ball giving the Bullets possession on the Bulls' 42. Outstanding passing and running on the part of senior Ed Books and Ernie Veltun enabled the Bullets to move the ball to the opponents' 4. Books then fired a pass over the line to end Lance Butler who went into the end zone standing up. Book's attempted pass for the extra point was broken up.

It wasn't until after the game was over and the mud washed off the faces of the gridgers that the press realized it was Ed Books handling the ball in the second half and not sophomore Earl Little. Little was forced to leave the game after the first half due to an injury. Books turned in one of his most outstanding games to date as he carried the ball nine times for 24 yards and tossed four completed passes in six attempts for 18 yards. He was the main factor in the Bullets' only scoring drive.

**Hess Blocks Punt**  
The Bullets' first scoring opportunity came in the second frame when senior tackle Jim Hess came charging in to block a Buffalo punt and Gettysburg took over on the Bulls' 25. On four plays and a five-yard penalty the visitors got as far as the 16 but lost the ball on downs. Not once between that point and the time the Bullets tallied their six-point out of their own territory.

## GUESSING ON BOWL GAMES IN FULL SWING

By ED CORRIGAN  
Associated Press Sports Writer  
The annual guessing game on what teams will wind up in which postseason bowl games got under way today.

This year, though, it is even more complicated because the Liberty Bowl in Philadelphia (Dec. 19) and the Bluebonnet Bowl in Houston are in the market for top teams.

Add these to the Rose, Orange, Cotton, Sugar and Gator Bowls and you have confusion.

**Syracuse In Cotton**  
As of now only Syracuse is down for a bowl game. The Orangemen, No. 1 team in The Associated Press poll, will play the winner of the Southwest Conference championship in the Cotton Bowl.

One source told The Associated Press that the Bluebonnet Bowl has the inside track on Mississippi along with the runnerup in the Southwest Conference.

The same source also said that the Orange Bowl would dearly like to have Penn State, but that the Nittany Lions, second only to Syracuse in the East, lean toward the Liberty Bowl because it's a home state proposition.

**Banner Year For Bowls**  
If Penn State turns down the Orange Bowl, Georgia almost certainly would wind up there.

And what of Louisiana State, last year's national champion and practically forgotten merely because it lost one game by a single point? The word is that the Bengals from the Bayou are interested in any good bowl assignment. Their task is complicated, however, because by state law they are not permitted to play against integrated teams.

Actually, this has turned out to be a banner year for the bowl promoters. They have a whole list of top teams available. Many a year the pickin's are so slim they have to go with teams that don't interest even the home folks.

**Guessing Game**  
At any rate, here is chapter one in the guessing game:  
Rose Bowl—This is a definite commitment. Big Ten champion against West Coast champion. Wisconsin, Northwestern and Michigan State all are in contention for the Big Ten title. Southern California, best on the coast, is in the NCAA's doghouse and ineligible for bowl games. That leaves Washington (8-1) if it gets by Washington State.

**Orange Bowl**—Oklahoma, well on its way to another Big Eight championship, can't go two years in a row. That leaves the runner-up to take the assignment. This is one big reason why Syracuse turned down the Orange Bowl bid. Kansas, Missouri and Iowa State all still could finish second. Georgia, which won the Southeastern Conference crown with a 14-13 victory over Auburn last Saturday, should get the other spot.  
**Cotton Bowl**—This also is easy, a definite commitment, now that Syracuse will be the visiting team. The winner of the Southwest Conference gets the plum. Arkansas has clinched a share of the title, but if Texas gets by weak Texas A&M Thanksgiving Day, the Longhorns will finish in a tie for first and will get the spot because they've been away from the Cotton Bowl longer than Arkansas.

**LSU In Sugar Bowl**  
Sugar Bowl—Chances are Louisiana State, just 80 miles away, will wind up there. LSU is a home team to New Orleans and would be a popular choice. The other club could be Alabama, beaten only once although tied twice.  
**Liberty Bowl**—Penn State vs. Air Force Academy, a twice-beaten team, but still a big drawing card.

**Blue Bonnet Bowl**—Mississippi vs. Arkansas. This would be a good one because Arkansas will be co-champion of the Southwest Conference. If Texas goes to the Cotton Bowl, it will be because the Longhorns were last there in 1953. Arkansas was there in 1955.

**Gator Bowl**—Probably Clemson, which can clinch the Atlantic Coast Conference title next week, vs. Tennessee, conqueror of LSU.

Texas was the victim of the biggest upset last Saturday. The longhorns toppled from the thinning ranks of the unbeaten by dropping a 14-9 decision to Texas Christian. That left only Syracuse and Southern Cal among the major teams that have escaped unscathed. Syracuse polished Colgate, 71-0, and the Trojans polished off Baylor, 17-8.

## Biglerville Trounces York Suburban 30-0 In Final For 8 To 2 Record

Biglerville High concluded another fine football campaign Saturday night when the Cannons thoroughly outclassed York Suburban 30-0 at Biglerville to finish with an 8-2 record.

Jack Emanuel's outfit scored on a pair of six-pointers and Harold Slusser each collecting a pair of touchdowns. The two touchdowns by Jacoby were his 19th and 20th of the season.

Carl Hess, Cannon center, recovered a fumble by Hen Woltman on the Suburban 25 late in the first period to give the way for the opening Biglerville score. In seven plays Biglerville scored, Jacoby slashing over from the one on the final down. A pass for the point was incomplete.

Suburban received the ensuing kickoff and marched from its 33 to the Biglerville 29 before being halted, the Big-ground gainers being two passes from Mike Mosebrook to Rog Casciana and Woltman for 25 and 17 yards, respectively. The Cannons took over on their 25 as the period ended.

**Jacoby Races 47**  
Vance Jacoby hurled a 23-yard pass to Jacoby to move the ball to midfield. Jacoby added three yards and on the next play he recovered a bad pitchout and then struck out for the left side line to streak 47 yards for a score. Johnston's placement for the point was low.

Late in the quarter York Suburban took over on the Biglerville 35 via a punt. Mosebrook passed to Woltman for 26 yards but time ran out as the Trojans reached the four.

Midway in the third period Gary Breighner recovered a Trojan fumble on the Biglerville 43 from where the Cannons moved for another score. Three straight first downs were chalked up, with Vines finally shooting across on a pitchout from the seven. Jacoby was stopped in his run for the point.

Wayne Schwartz pounced on the following short Biglerville kickoff to give Biglerville possession on the Trojans' 47 and the Cannons quickly capitalized with their fourth tally early in the fourth period. The payoff play was a 23-yard pass, Johnston to Slusser, with the latter driving hard into the end zone. Another pass for the point fell incomplete.

**Slusser Goes For 49**  
The final Cannon score came on a pretty 49-yard run by Slusser after eight minutes of the last period. Biglerville took possession on its own 48 following a Suburban punt. Slusser broke away on his second fine run on a fourth down two-to-go situation. A fumble nullified the run for the point.  
Rain fell during the entire last half but did not deter the Cannons in making another impressive performance in wrapping up their season. York Suburban finished with a 5-3-1 record.

## Eastern League To Open April 22

NEW YORK (AP)—The Eastern League will open its 1960 season on April 22 but it is uncertain how many teams will be in the baseball loop.

League members, at their annual meeting Saturday, talked over the prospects of increasing the number of clubs from six to eight. Most likely to get franchises, should expansion become a fact, would be York, Pa., and Albany, N.Y.

League President Tommy Richardson said a decision was deferred, however, until working agreements are clinched with major league clubs.

In the league now are Binghamton, N.Y., Springfield, Mass., and Allentown, Lancaster, Reading and Williamsport, in Pennsylvania.

## ALIQUIPPA HI WRAPPING UP WPIAL CROWN

HARRISBURG (AP)—Aliquippa High School, completely overlooked before the 1959 football season got underway, appears headed for the WPIAL AA title game against Charleroi later this month.

The decision is up to a conference meeting, but unofficial point ratings give the nod to Aliquippa.

Defending champion Johnstown's ratings appear too low for it to qualify for another crack at the title and Farrell's 13-13 tie with Sharon over the weekend eliminated it. Aliquippa was idle.

**Most Are Finished**  
The AA title is among the various odds and ends to be cleaned up in the remaining 10 days of the season. Nearly all schools now have completed their schedules.

In the weekend's big game, Phillipsburg capped its great comeback after a poor start by handing Lock Haven its first defeat of the season, 34-12.

Westinghouse won its sixth straight Pittsburgh city title with a 35-12 victory over Carrick.

**Ridley Wraps It Up**  
Ridley Twp. wrapped up the Suburban II title by beating Springfield, 45-6; Nether Providence clinched, the Suburban III crown when Radnor dumped Media, 33-13 and Hellertown won the Lehigh-Northampton championship by edging Bangor, 19-18.

Rain was a villain again, cutting into the schedule of games in the northeast and midstate areas. They'll be played off this week.

Here's the story on the unsettled conference races:  
Southeast—Suburban I: Haverdars has only to beat Upper Darby, a weak member, to win it; Suburban IV: Powerful Clifton Heights should take it by beating Yeadon on Thanksgiving Day; Ches-Mont: Phoenixville's 13-12 victory over Coatesville and Conestoga's 14-6 win over Springfield left the two winners tied for the lead and that's the way it probably will end; Bux-Mont: Ambler can wrap it up Saturday by beating Springfield, Lower Bucks: Neshaun, probably the best in the area, should wrap it up by Thanksgiving.

**Other Sections**

Northeast — East Penn North: Ratings will decide it, but West Scranton and Scranton Central are the current leaders; East Penn Southern: Another rating decision with Minersville and Mt. Carmel out front at the moment; Wyoming Valley: Wilkes-Barre Meyers can win it by beating tough Wilkes-Barre GAR on Thanksgiving Day; Lehigh Valley: Just a matter of powerful, unbeaten Northampton playing out its schedule.

Midstate — Susquehanna: Lock Haven probably will be on top when the points are worked out.  
West-Central—Western: A point rating decision to be made among Northern Cambria, Lewistown, Richland Twp., Lock Haven and Phillipsburg.

## PITT PANTHERS SHINE IN MUD

PITTSBURGH (AP)—If it rains at Pitt Stadium Saturday, highly-touted Penn State may have trouble whipping the mediocre Pitt Panthers — a team which takes to mud like muskrats.

The latest victim of a muddy gridiron was Notre Dame, defeated 28-13 by Pitt Saturday before 52,337 rain-soaked fans at the stadium. The Saturday before, Pitt whipped Boston College on a soggy field.

The "C" backs — Bob Clemens, Fred Cox and Jim Cunningham — demonstrated to the Irish that Pitt picks up more yardage running in the mud than Panthers have shown on dry fields.

"This was the best game we played all year," said Cunningham, a junior fullback who carried the ball 22 times for 101 yards and two touchdowns. "We finally played together as a team."

Clemens returned a punt 64 yards for the first score in the opening period. Cox, who picked 99 yards in 10 tries, ran 44 yards for a touchdown and kicked four conversions.

Irish Coach Joe Kuharich praised Mike Ditka, junior end from Aliquippa, Pa., who threw key blocks in the TD runs by Clemens and Cox.

## STATE'S TWO UNBEATEN 11'S ARE DEFEATED

By THE ASSOCIATED PRESS  
It was a weekend that gave the Pennsylvania college football season a certain finality.

The state's last two unbeaten football teams, Juniata and Carnegie Tech, lost Saturday, leaving Pennsylvania without an unbeaten team for the first time in years.

West Chester won the state teachers' crown; and the Rams' star halfback, Bill Shockley, virtually wrapped up the state scoring championship for the second year.

Penn licked Columbia 24-6. Now all the Quakers have to do is beat an unimpressive Cornell team on Thanksgiving Day to win their first Ivy League crown since Steve Sebo became coach six years ago.

**PSU Gets Bowl Bid**  
Richie Lucas set a Penn State individual offense record, and solidified his claim to All-America quarterback honors in the Nittany Lions' 46-0 victory over Holy Cross.

As a result of the victory, Penn State was invited to the Liberty Bowl, an informed source said.

Pitt made good its reputation as a never-say-die team with a suicide schedule. The Panthers defeated Notre Dame 28-13, a mild upset.

Pennsylvania colleges have only one more big football weekend.

**Juniata Upset**  
The surprise upset was Albright's 14-0 victory over Juniata. It was the Indians' first loss in 27 games. Carnegie Tech's 14-12 loss to Westminster, on the other hand, wasn't too surprising. Tech had won seven. Westminster ended its season with a 6-2 record.

West Chester licked Cheyney 70-19 Friday night, so Indiana had to beat Clarion Saturday to tie for the teachers' conference title. But the game was a scoreless tie.

Tom Olivo of Albright, with 54 points, is the only man with an outside chance of overtaking Shockley's 82 points for the state scoring title. Shockley scored 22 points in the Rams' last game.

Olivo was scoreless against Juniata, but Albright has another game, against Franklin & Marshall Saturday.

Paul Pupi of Geneva ran his final point total to 78 with three TDs in Geneva's 26-0 victory over Lycoming.

**Top Lennie Moore**  
Lucas had 216 yards running and passing to send his total for the season to 1,184. The old Penn State record of 1,082 was set in 1954 by Lennie Moore, now starring with the Baltimore Colts.

Other highlights:  
John Yanuklis scored three touchdowns for Susquehanna in a 30-0 thumping of Haverford. Villanova lost its eighth in nine starts, 12-6, to Rutgers; East Stroudsburg rolled up its highest score of the season, 47-0 against Montclair.

Lehigh beat Davidson 14-0; Lock Haven licked Bloomsburg 14-6; Lafayette shut out Tufts 13-0; Scranton did the same to Wilkes 15-0, and Bucknell made it 20 losses for Temple, 26-6.

## PHILADELPHIA IS EXPECTED TO JOIN GRID LOOP

PHILADELPHIA (AP)—Philadelphia is expected to join the new American Football League under the banner of baseball magnate Bob Carpenter, but the clincher will not come today as had been expected.

Carpenter, owner of the National Baseball League's Philadelphia Phillies, had scheduled a news conference for late this morning to make known his decision on an invitation to become the eighth and final member of the new pro football circuit.

**Hold Conference Later**  
But Carpenter Sunday night postponed the conference, saying he wanted a little more time to think things over. He said a new time for the conference will be set later this week.

Carpenter, in first announcing the conference, strongly hinted he would say yes to the league. He added that he, like others in the circuit, was prepared to run a financial risk to get the league going. He asserted he was reconciled to losing as much as \$100,000 a year, if necessary, to get the Philadelphia franchise rolling.

Other teams already in the AFL fold are New York, Los Angeles, Houston, Dallas, Denver, Buffalo and Minneapolis-St. Paul.

## BILLY CASPER TAKES RICH LAFAYETTE

By ED TUNSTALL  
LAFAYETTE, La. (AP)—Billy Casper made a show of his field in the \$15,000-Lafayette Golf Tournament. And as one of his nearest rivals put it, "The rest of us were just shooting for second place."

Casper, a 28-year-old stylist who takes a good deal of ribbing about his waistline, blasted par again with a 69 Sunday to take the \$2,000 first-place check. His four round total of 69-64-71-69—273 was four strokes better than runnerup George Bayer, the distance hitter from Glenaeles, Ill.

It may not sound like much, that four-stroke margin, but most of the tournaments on the PGA tour this year have been decided by one or two strokes.

**Seemed Confident**  
Casper, winner of the 1959 National Open, exuded confidence after receiving his winner's check. "Nope, I wasn't worried about winning when I took off on the first tee," he told newsmen.

The affable Apple Valley, Calif., putting master wasn't being cocky. He's at the top of his game now with three triumphs in his last four tournaments.

Jim Ferree of Crystal River, Fla., and old pro Billy Maxwell of Odessa, Tex., tied for third with 278 while bridgegroom Gay Brewer Jr., Crystal River, trailed with 281.

# AP Writer Reports On Three Days With Nixon

**Editor's note:** In this season, when presidential hopefuls sprout everywhere, The Associated Press is taking an on-the-spot, closeup look at each contender. Here Arthur Edson, a politician-watcher with 15 years in Washington, gives his report on three days of travel with Vice President Richard M. Nixon.

WASHINGTON (AP) — Presidential politics is a chancy business, where many plan and scheme and covet but only one is chosen.

And nowhere are plans more carefully thought out and drawn than in the young, bustling political camp of Vice President Richard M. Nixon.

Right now the plans call for Nixon to lie low. He has only one speaking engagement the rest of this year, at a sports award dinner in New York. The big drive comes in January and February.

**Believes In Homework**  
Ideally, a politician never sees an acquaintance without being able to recall his name immediately, never is asked a question without having a ready answer, complete with statistics, never faces an explosive situation without having previously checked on the location of the fire escapes.

No politician succeeds completely, of course. But Nixon keeps the ideal in mind always. He is a firm believer in political homework.

"There is no such thing as a good, off-the-cuff speech," he will tell you.

Coming from him, this seems surprising. Unless it's an official document from which he wants to quote, he never carries so much as a note with him when he's making a speech. Yet Nixon prepares his thoughts, carefully. A manuscript, he believes, gets between him and the audience.

He is convinced that politicians who use mechanical prompters on television are wrong. "Your eyes get that glassy stare," he says, and adds with a grin: "People tend to think you're cockeyed anyway without your actually looking that way."

This reporter has just returned

from three days of campaigning with Nixon through snow in Wisconsin, rain in Indiana, fog in the East.

**21-hour Day**  
Technically, this was no campaign at all. Nixon hasn't announced whether he will be a presidential candidate, and some humorist on his staff even called this a nonpolitical tour.

But since he was shaking hands and talking with state politicians constantly—one day lasted a full 21 hours—this scarcely could be looked upon as a lark.

Nixon is at his best in question-and-answer sessions, and don't be surprised if he uses more and more of them as the campaign picks up momentum.

Here homework pays off. Nixon arrived at the Wisconsin cranberry center during an anxious period. Some cranberries have been found contaminated. The whole industry may suffer a knockout blow.

Well, you would have thought Nixon had spent his life in a cranberry bog. He praised them, ate them, and made little jokes about them.

A sample from his remarks at Lawrence College in Appleton, Wis.:

"Khrushchev will offer you a cup of coffee, or maybe something else" (pause for laughs). "Maybe cranberry juice" (more laughter). "It just occurs to me, how would vodka go with that?" (much laughter).

Naturally there's more to this than homework. Otherwise our presidents would merely be memory experts.

Nixon seems to avoid details on many issues.

He thinks peace will be much talked about in 1960, and that President Eisenhower's visits abroad will give the Republicans a big advantage.

On such subjects as the farm problem, where Democrats are already firing their biggest guns, Nixon says forcibly that something must be done, and then quickly says he's not prepared at this time to say what that something is.

Probably Nixon has planned it this way. Issues can be kicked in

## Littlestown INGATHERING SERVICE IS HELD SUNDAY

The annual thank offering Ingathering service was held on Sunday morning in Christ United Church of Christ charge of the women's guild. The guest speaker was Mrs. Pearl S. Gentz, Hanover, and in her message she said that "the church must go back to family worship and the family that prays together stays together. Christianity is born of love; missionaries love to the fullest; Napoleon in the closing days of life said, 'Caesar, Charlemagne and I founded empires on force. They have crumbled into dust. Christ has founded his empire on love. It does not crumble. It grows and will ever grow.'"

The worship was as follows: Organ prelude; processional hymn "O Worship the King"; invocation, Mrs. Clyde L. Sterner; responsive reading by Mrs. Charles A. Grove; scripture, Psalm 100 and Philippians 1:9-11, Mrs. Orville C. Sentz; Gloria Patri; prayer, the Rev. G. Howard Koons, pastor; offering; anthem "Thanks Be To God"; reading "Be Thankful," Mrs. Harold E. Shoemaker; Ingathering of thank offering envelopes in charge of Mrs. Irvin C. Markle, guild president, and the ushers were Mrs. Clair R. Markle, Mrs. Bernard W. Dutterer, Miss Miriam E. Dutterer and Mrs. Alvin C. Gerrick; hymn "Angel Voices, Ever Singing"; introduction of speaker, Mrs. G. Howard Koons; address,

a lot of directions before the national Republican convention in Chicago next summer.

Certainly Nixon seems confident. In discussing 1960 with reporters, he said he thought the campaign train may still have its place, especially in the East. "There's something dramatic about a train," he said.

And he smiled dreamily, as if he were seeing himself waving gaily from the back of that train.

Mrs. Gentz; Lord's Prayer in unison; doxology; benediction, Rev. Mr. Koons; recessional hymn "Now Thank We All Our God"; organ postlude.

Ray F. Slaybaugh, Ralph C. Unger, Lester L. Hilker and Kenneth E. Hilker served as ushers. The altar flowers were placed by the women's guild. The bulletins were presented by Mrs. Carrie R. Wine and family in memory of husband father, Horace Z. Wine; by Mr. and Mrs. Clair E. Wildasin in memory of her mother, Mrs. John D. Shool, and brother, J. William Shool, and by the women's guild.

**Plan Men's Rally**  
The secretary-treasurer of the trustee committee, Roy A. Sterner, reported that the cemetery fund has received \$100 from the

Jacob Steich estate. The denomination is sponsoring the annual stewardship project for which the title is "Christian Stewardship Strengthens Today's Family." Young people and adults may participate with essays, posters, poems, plays and hymns. The project closes on February 15 and those interested in entering should contact Harold E. Shoemaker or the Rev. Mr. Koons. A men's rally will be held Thursday at 7:45 p.m. at Trinity United Church of Christ, Hanover, when the speaker will be Horace Ports, York. Donations of used clothing for the ministerium-sponsored drive should be taken to the church by Sunday, Nov. 29.

The terms of Orville C. Sentz and Ralph I. Unger as elders; John J. Berwager and Lynville

G. Seabrook as deacons, and Alvin C. Gerrick as trustee expire. The consistory has nominated the following men for the respective offices: Amos S. Carbaugh, and Gerald W. Sterner as elders; Louis E. Hilker and Ralph L. Snyder as deacons, and Richard D. Sheely as trustee.

Christ Church Choir will rehearse tomorrow evening at 8 o'clock.

**Roll Call Next Sunday**  
The King's Daughters' Class will hold its November meeting on Wednesday at 7:30 p.m. at the home of Mrs. John N. Sell, E. King St., when Mrs. Sell will be in charge of the program. The hostesses will be Mrs. Sell, Mrs. Erwin A. Rebert, Mrs. Paul J. Mummert, Mrs. Kenneth W. Olinger and Mrs. Orville C. Sentz.

The annual Kingdom Roll Call Day will be observed by Christ Church next Sunday afternoon, November 22. Envelopes will be distributed to the members of the congregation when the visitors call. The consistory has arranged the following teams of visitors: Orville C. Sentz and Howard R. Clapper, Ralph I. Unger and Allen E. Hahn, Robert S. Bankert, Glenn W. Sterner, Melvin L. Spangler, Vernon S. Arentz, Lewis E. Bair, Ivan E. Arentz, Clyde L. Sterner, Donald L. Wolfe, John J. Berwager, James D. Sterner, Lynville G. Seabrook, Paul J. Mummert, Clair E. Arentz, Earl A. ## NBC STARTS TO COVER 1960'S BIG CAMPAIGN

By CYNTHIA LOWRY  
AP TV-Radio Writer  
NEW YORK (AP) — Political conventions are more than six months away, elections are a year hence, but the National Broadcasting System Sunday night began its presidential campaign coverage.

It was a half-hour film clip-and-commentary show called "Politics 1960" describing briefly the current activities of seven men who are acting like candidates, and discussing their potentials.

The NBC political observers didn't contribute much to the average newspaper reader's information. They decided the top Democratic contenders are John F. Kennedy, Lyndon B. Johnson, Hubert H. Humphrey, Stuart Symington, and that Adlai E. Stevenson shows "enormous strength." Only two Republicans, they said, are in the running: Richard M. Nixon and Nelson A. Rockefeller.

**First-rate Drama**  
The program was primarily devoted to showing these men—none of whom has announced his intentions—shaking hands, smiling, waving and making speeches. David Brinkley, head man of the program, did mention one new modification of traditional campaigning: dandling.

"They are dandling—not kissing—babies," said Brinkley. "It has been learned that kissing babies upsets mothers who have read Dr. Spock."

"A Doll's House," Henrik Ibsen's 80-year-old classic, had a first-rate revival Sunday night on NBC's Hall of Fame. It was live, in color and was graced by such skillful performers as Julie Harris, Christopher Plummer, Hume Cronyn, and others.

**Shocker In 1879**  
The play was probably a shocker in 1879 and it was interesting enough as adapted for modern television by James Costigan. Time and the emancipation of women have not helped the drama at all, however. Nora, the child-wife, at first seemed silly and parent-like supervision. And Torvald, by turns harsh master and romantic husband, received little sympathy or even understanding when he revealed his clay feet.

When Nora, after Torvald failed her miserably in crisis, suddenly walked out on her marriage—and her three children—one felt it was just more of her doll house playing, not that she was striking a blow for womankind. Perhaps we have been considered to be human beings for a long time now.

The first newspaper to use cartoons regularly was the New York Evening Telegram under James T. Bennett.

## Pope Names 8 Cardinals Including Two Americans

VATICAN CITY (AP) — Pope John XXIII today named eight new cardinals of the Roman Catholic Church. They included two Americans, Archbishops Albert Gregory Meyer of Chicago, and Aloysius J. Muench of Fargo, N.D.

The Pope's action increased the College of Cardinals to 79 members, its largest size in the history of the church.

The elevation of Archbishop Meyer, 56, had been expected since he succeeded the late Cardinal Stritch as archbishop of Chicago just a year ago today. His archdiocese is the largest in the United States, having nearly two million members.

**Natives Of Milwaukee**  
Both the new American cardinals are natives of Milwaukee, and Archbishop Meyer headed the archdiocese there for five years before going to Chicago.

Archbishop Muench, 70, has been representing the Vatican as papal nuncio to Germany since World War II but has retained his post as head of the North Dakota archdiocese.

The eight new princes of the church will be elevated to high office on Dec. 14 in a consistory in the Vatican's Consistorial Hall.

Those named with the two Americans were Joseph Heald, British dean of the Holy Roman Rota Tribunal; Agostino Bea, German Jesuit who was confessor of the late Pope Pius XII; Arcadio Larraona, Spanish secretary of the Vatican's Congregation of the Religious, and three Italians: Archbishop Gustavo Testa, 73, apostolic nuncio to Switzerland; Archbishop Paolo Marella, 64, apostolic nuncio to France, and Francesco Morano, 87, secretary of the Ecclesiastical Tribunal.

**Six U.S. Cardinals**  
The naming of Archbishops Meyer and Muench brings the total number of American Cardinals to six, highest in the church's history. The others are Francis Spellman of New York, James F. McIntyre of Los Angeles, Richard J. Cushing of Boston and John F. O'Hara of Philadelphia.

Cardinals Cushing and O'Hara were both elevated by Pope John last December in the first consistory of his reign, when he increased the College of Cardinals to 74 members. Previously it had been limited to 7 members for nearly 400 years. Since the December consistory three cardinals have died.

## Angry Volcano Continues Eruption Into Third Day

By HENRY HARTZENBUSCH  
HONOLULU (AP) — Angry Kilauea volcano belched streams of searing hot lava and sent a gray pall of thick smoke high into the sky today as the eruption roared into its third day.

The 4,090-foot volcano's Kilauea Iki crater showed little sign of abating its fiery temper. Two waterfalls of liquid rock — bright red-orange in daylight — gushed from a 300-yard rift in the crater's inner south wall into its pit some 300 to 500 feet below.

Kilauea Iki—or Little Kilauea—on the southeast side of Hawaii Island some 200 miles southeast of Honolulu, began erupting Saturday night. White-hot rocks were blasted up to 100 feet in the air before they tumbled into the mile-long, mile-wide crater.

**Muss Of Golden Fire**  
Honolulu Star-Bulletin reporter Mark Waters, in a telephone call from the volcano site, said Sunday night, "One huge fountain of erupting lava is pouring tremendous streams of molten rock into the floor of the crater."

He said, "Channels of glowing lava, which at night look like streams of 24-carat liquid gold, drop 300 feet down the inner wall of the crater. The bed of the pit is a shimmering mass of golden fire."

Waters said he saw brilliant white light sparkle in the pit when stunted scrub trees burst into sudden flame.

"The noise from the erupting fountains is akin to the roar of the ocean pounding against a rocky cliff," he said.

**Six Enter Fiery Pit**  
Six volcanologists, led by Dr. Jerry Eaton, of the volcano observatory on Hawaii Island, climbed into the fiery pit Sunday. Wearing thick asbestos gloves and protective hoods, the group walked between streams of molten lava. They stuck thermometers in

as guests of Mrs. Laura Cease and Mr. and Mrs. R. M. King.

Mrs. Laura Cease and Miss Jean Biggs, and Dr. and Mrs. C. A. Sloat, Gettysburg, visited recently with Miss Otta Cover at a rest home near Hagerstown.

to liquid rock and took samples of lava for testing.

Thousands of spectators clogged roads leading to the volcano, tying up traffic for miles, when it became apparent that the eruptions were no threat to surrounding farm areas.

Minor quakes continued to rumble through the volcano zone. Kilauea Iki, one of seven craters that make up Kilauea volcano, last erupted in 1868. Hawaii's last major eruption occurred in the Kilauea volcano area in 1955.

## U.N. OBSERVER WILL STAY IN LAOS 4 WEEKS

By WILLIAM N. OATIS  
UNITED NATIONS, N.Y. (AP) — U.N. Secretary-General Dag Hammarskjöld, risking another Soviet protest, will leave a Finnish U.N. official in rebel-ridden Laos as his personal representative.

Hammarskjöld, now visiting the Indochinese kingdom, called ex-Premier Sakari Tuomioja of Finland to join him and to remain up to four weeks in Laos after the secretary-general leaves next weekend to return to U.N. headquarters.

Officially, Tuomioja is to study the economic situation of Laos and the little country's needs in U.N. aid. But the Laotian government hopes his presence will serve as a restraining influence on Communist rebels.

Before Hammarskjöld left New York, the Soviet delegation wrote him that his visit to Laos and "the proposed stationing of a personal representative" there could only complicate the situation and "entail dangerous consequences for peace."

SEOUL, South Korea (AP) — South Korean police reported Monday Communist boats captured six small fishing vessels with 13 fishermen aboard off Korea's east coast last week.

MIDDLETOWN, Pa. (AP) — Hearings will be held Wednesday for 11 employees arrested in the 23rd successive raid at the Middletown Merchandise Mart on charges of violating the Blue Law

against Sunday sales. To date 292 arrests of employees have been made at the mart on the same charges. A total of \$3,654 has been paid in fines and costs.

## BROWNS BEAT "SKINS" WHILE COLTS DEFEAT GREEN BAY

By MIKE RATHET

Associated Press Sports Writer

Fleet Bobby Mitchell, an undersized Jimmy Brown, has emerged from the shadow of his more illustrious Cleveland teammate while pulling the Browns into a tie for first place in the Eastern Conference of the National Football League.

With the 225-pound Brown stymied, the 180-pound Mitchell took over Sunday and scored three touchdowns as Cleveland overcame the Washington Redskins 31-17 for a 6-2 record.

Mitchell, 23, who is in his second year as a pro, scored Cleveland's first TD by scampering 90 yards to pay dirt, then tackled on runs of 5 and 24 yards for additional tallies as he amassed 232 on the ground.

**Steelers Dump Giants**

Mitchell, using rapier-like thrusts to open the defenses where Brown's bulging rushes failed, averaged 16.6 yards a try to come within five yards of Brown's single-game NFL record for total yardage rushing.

Cleveland next meets the Pittsburgh Steelers who dumped New York into a tie for the top spot by beating the Giants 14-9 on Bobby Layne's touchdown pass with 1:29 left to play.

In the Western Division, the San Francisco 49ers had their lead cut to one game when the Chicago Bears threw up a brilliant defense for a 14-3 victory. The second-place Baltimore Colts edged Green Bay 29-24 on Johnny Unitas' three touchdown tosses.

**Colts Meet 49ers**

The 49ers (6-2) and Colts (5-3), defending NFL champions, clash at Baltimore next Sunday in a showdown contest.

In other games Philadelphia knocked off the Chicago Cardinals

27-17 and Detroit upended Los Angeles 23-17.

Despite Mitchell's fancy footwork, it took a 35-yard field goal by Lou Groza at the start of the second half to put the Browns in front to stay. Dick James and Johnny Olszewski, who set a club record with 190 yards gained rushing, gave Washington (3-5) a 14-14 halftime deadlock with scoring dashes of 4 and 19 yards, respectively.

### Ends Giants' String

Layne's second touchdown throw, 45 yards to Tom Tracy, ended New York's victory string at five games. The Giant offense, led by third-string quarterback Don Heinrich due to injuries to Charlie Conerly and George Shaw, couldn't get going against a tough Steeler (3-4-1) defense. For the second week in succession, Pat Summerall accounted for all the Giant scoring with 21, 27 and 29-yard field goals.

The Bears (4-4) scored in the first period when Rick Casares capped a 48-yard drive with a yard plunge and that was all they needed against the 49ers. Intercepting five passes, the Chicagoans held San Francisco touchdown-less for the first time this season as neither Y. A. Tittle nor John Brodie had any success in the air. A 51-yard pass from Ed Brown to Johnny Morris closed out the scoring.

Unitas' 24-yard heave to Jim Mitchell in the final period was the clincher for the Colts, who handed the Packers (3-5) their fifth consecutive defeat. Connecting for a touchdown pass in his 33rd straight game, Unitas hit Ray Berry twice on 7 and 10-yard pitches. He has thrown 22 TD strikes this season. Jim Taylor scored three times for Green Bay to make it close.

### Van Brocklin Shines

Norm Van Brocklin kept the Eagles (5-3) Eastern title hopes alive by passing for two TDs and setting up the clincher, scored by Clarence Peaks on a yard plunge with five minutes remaining. Van Brocklin arched passes of 40 and 47 yards to Pete Retzlaff and Billy Barnes for scores. The loss dropped the Cardinals deeper into the cellar with a 2-6 mark.

John Henry Johnson came out of the Detroit doghouse to pace

## WEST CHESTER CLINCHES TITLE

JOHNSTOWN, Pa. (AP)—The West Chester Rams, losers of only one league game, are the Pennsylvania State Teachers Colleges football conference champion.

West Chester sewed up the title Friday with a 70-19 romp over Cheyney. Clarion, tied with the Rams before the season's finale, was eliminated by being held to a scoreless tie with Indiana.

The Rams ended up with five victories and 213 rating points, 13 more than runnerup California.

**Shockley Stars**

Bill Shockley of West Chester scored two touchdowns and booted 10 extra points against Cheyney to break every known STC conference scoring record. Included in the record held by Shockley are a career high of 157 points, season's high of 86 points set in 1958, single game high of 26 points set last year and most extra points in one game, last Friday's 10.

JOHNSTOWN, Pa. (AP)—Northern Cambria is the 1959 Class A champion of the Western Pennsylvania Scholastic Football Conference, and Patton is the Class B champion.

The final conference standings were announced Sunday by Albert L. O'Connor Jr., conference statistician and secretary-treasurer. Northern Cambria's season record of eight victories, no defeats and no ties and its 496 rating points gave it the Class A title. Richland Twp. was second with an 8-0-0 mark and 482 points.

SHARON, Pa. (AP)—Funeral services will be held at Sacred Heart Church here Wednesday for Charles J. (Chilly) Doyle, retired baseball writer for the Pittsburgh Sun-Telegraph.

the Lions (2-5-1) triumph over the Rams (2-6). After sitting out a one-game suspension for an indifferent attitude and failure to catch a plane, Johnson picked up 56 yards in 19 carries and scored once on an 11-yard pass from Earl Morrall. Jim Martin's 25-yard field goal just before the half ended put the Lions in front for good.

## CELTICS BEAT CINCINNATI FOR ELEVENTH TIME

The Boston Celtics have no worries of going victory-poor so long as the Cincinnati Royals are in the National Basketball Assn.

The Celtics have beaten the Royals 11 straight times, including a 134-128 triumph last night in Cincinnati.

The big difference was Boston's work on Jack Twyman, who had been averaging nearly 40 points a game. Twyman finished with only 10 points, two in the second half.

In other games, the Minneapolis Lakers defeated the Philadelphia Warriors, 106-100, and the Detroit Pistons whipped the New York Knickerbockers, 103-94.

Minneapolis' victory over the Warriors enabled the Lakers to climb out of the Western Division cellar. It was only the second defeat in 10 starts for Wilt (The Stilt) Chamberlain and his Warriors.

Chamberlain hit for 26 points, two below his season average. Paul Arizin also had 26, but the balanced scoring performance of the Lakers—six of them in double figures—clinched it.

A national television audience watched the Pistons hand the Knicks their fifth straight defeat. Detroit never was behind. Gene Shue led the winners' attack with 26 points. Willie Naulls had 19 to top New York.

Saturday night, Boston edged St. Louis 113-111, Philadelphia whipped Minneapolis 104-98, Syracuse beat New York 116-108 and Detroit beat Cincinnati 111-103.

**Find No Clues To Brutal Assault**

YORK, Pa. (AP)—Police today were still without clues as to the identity of the assailant who beat seventeen-year-old Rena Dunlap of Spring Garden Twp., leaving her in serious condition.

## INVITE STATE TO LIBERTY BOWL

PHILADELPHIA (AP)—Penn State has been invited to play in the Liberty Bowl game, an informed source disclosed today.

The source told the Associated Press that a formal invitation to the once-beaten Nittany Lions was extended Saturday after State crushed Holy Cross 47-0 for its seventh victory of the season. State's only defeat was at the hands of Cotton Bowl-bound Syracuse in a 20-18 thriller two weeks ago.

State has been guaranteed \$150,000 for its appearance in the December 19 extravaganza in Philadelphia's 100,000-seat Municipal Stadium.

Although Ernie McCoy, state athletic director has announced no bowl decision will be made for the Nittany Lions until after the game with Pittsburgh next Saturday, the decision is expected sometime later this week.

Baublitz said the girl was struck on the head and apparently dragged a short distance. She collapsed at the door of her home Saturday, where she was found by her mother, Mrs. E. W. Dunlap.

Baublitz said a preliminary investigation showed the girl had not been robbed or molested sexually. Police are waiting until her condition has improved so she can be questioned about her assailant.

## LEGAL NOTICE

**NOTICE**  
The Board of Supervisors of Cumberland Township, Adams County, Pennsylvania, hereby gives notice of its intention to adopt an ordinance on the 7th day of December, 1959, to be effective January 1, 1960, imposing, levying, assessing and collecting a tax for general revenue purposes in Cumberland Township upon admissions to amusements, theatrical exhibitions, amusement parks, swimming pools, museums, and any and all other forms of diversion, sport, pastime or recreation for which or to which any admission or other fee is charged at the rate of two percent (2%) of each such admission; providing for the inspection of books; providing for the payment of said tax; providing for the method and manner of collecting the tax imposed, assessed and levied by this resolution; and providing exemptions and imposing penalties.

The reason which, in the judgment of the Board of Supervisors, necessitates the imposing of the tax is the need to secure funds to finance the work of the Cumberland Township Planning Commission.

The amount of revenue estimated to be derived from the tax is approximately Five Thousand (\$5,000.00) Dollars annually.

The ordinance is to be enacted pursuant to the provisions of the Act of Jan. 25, 1947, P. L. 1148 as amended.

## TWO ENGINE JET PLANE FALLS AFTER TAKEOFF

WILLIAMSTOWN, N.J. (AP)—A two-engine jet plane crashed on a farm Sunday five minutes after takeoff. Debris was scattered as much as a mile and pieces hit a chicken coop and sun porch.

Authorities were still trying to determine today whether one or both men aboard the F89H Scorpion were killed. Parts of a body were found and a parachute was hanging from a tree, but no one was certain if it had been used.

No one else was injured. The plane came down in a ball of fire and hit the ground, in a thicket bordering woods, with a tremendous explosion heard for miles. It was nightfall and authorities were unable to complete their search of the woods and underbrush.

The pilot was Capt. Philip H. Koyka, 37, of Haddon Heights. His radar observer was Capt. Theodore Balosin, 31, of Arden, Del.

Neither was listed as dead. They were members of the Pennsylvania Air National Guard, attached to the 103rd Fighter Interceptor Squadron of the 11th Fighter Group. Their plane had taken off from Philadelphia's International Airport with eight others on a training flight.

The cause of the crash was not known. CHICAGO (AP)—Otto F. Hunziker, 85, former president of the American Dairy Science Assn., died Sunday. Hunziker, who was born in Switzerland, was professor of dairying and head of the dairying department of Purdue University from 1905 to 1916.

## State Pilot Is Missing In Crash

NORFOLK, Va. (AP)—Two sky-raider attack planes collided over the western Mediterranean Friday and one pilot, a Pennsylvanian, is missing.

A Navy spokesman said today that no trace had been found of Lt. Anthony Pearson, of Drexel Hill, a Philadelphia suburb.

The collision occurred north of the island of Majorca. The two planes were on a training flight from the carrier Essex. One landed safely on Majorca but the other crashed into the sea. Both planes were attached to Attack Squadron 176, which is normally stationed at Jacksonville, Fla.

## HAYDEN BACK TO FACE MUSIC

SAUSALITO, Calif. (AP)—Bronzed Sterling Hayden is back from the South Seas, tired and broke but ready to face a contempt of court action for taking his four children out of the country against the order of a Los Angeles judge.

The Hollywood actor sailed his schooner Wanderer into San Francisco Bay Sunday after 10 months on the high seas and in Tahiti. He told newsmen he went "in search of truth" and came back to "clear up the legal situation" in Los Angeles.

Hayden won custody of the children in a divorce action but his former wife, Betty Ann de Noon Hayden, was allowed visitation rights. When he sailed from here last January Mrs. Hayden got a court order for his arrest alleging the children were in danger. The contempt action followed. Several additional charges filed in Marin County are in abeyance.

## Four Members

(Continued From Page 1) away from any through road. The only persons living close by are the family of Alfred Stoeklein, who has worked 11 years as a farm hand for the Clutters. Stoeklein said he saw the Clutters early Saturday evening, before he and his wife and three children went out. They returned about 9:30 p.m. They heard no disturbance.

## MOTHER AND 2 CHILDREN DIE IN ACCIDENT

JIM THORPE, Pa. (AP)—John Large waited for his stepson, wife and their two children Sunday. For the last year the Robert Zanders family always had eaten their Sunday dinner with John and his wife. They would arrive over from their home in nearby Summit Hill.

The hours passed and finally John figured they weren't coming. Later he retired for the night, not giving the matter any more thought.

About 1 a.m. today John was awakened by Mrs. Zanders' brother, Francis Peltz. There had been a tragic crash on Route 209 just outside of nearby Lehigh. An auto had hit a tree with such impact that his car's motor was hurled 275 feet away and one child knocked into the trunk.

Killed were Mrs. Zanders, 22, and her two children, Ann, 4, and Robert Jr., 3. Zanders, 22, who was driving the auto, suffered head injuries and multiple cuts. He was admitted to Gaden Huetten Hospital in Lehigh in critical condition. Nobody knows yet what happened.

Leaning on the rail of the 66-year-old schooner, the 43-year-old actor told newsmen he had just had "the best year of my life."

## JOB PICTURE IS BETTER IN THIS STATE

HARRISBURG (AP)—The employment picture has brightened for three Pennsylvania labor market areas, the state labor and industry department reports.

Secretary William L. Batt Jr. said Saturday the Philadelphia, York and Chambersburg-Waynesboro areas have been taken off the major unemployment lists.

However, six major labor areas still have substantial unemployment, Batt said. They are Uniontown, Johnstown, Wilkes-Barre-Hazleton, Scranton, Pottsville and Pittsburg.

The drop in unemployment in the York area was attributed to gains in the metal products, non-electrical machinery, textile and apparel manufacturing industries and to seasonal increases in agriculture and food processing. Unemployment there dropped by 900 between July and September, leaving a total of 5,800 out of work.

In the Philadelphia area, a year long factory employment upswing, particularly in electrical and non-electrical machinery, metals and transportation equipment, contributed to a drop of 13,500 in the number of unemployed. The mid-September unemployed total was 96,300.

In the Chambersburg-Waynesboro area—where unemployment figures were not given—gains in food, apparel, durable goods, manufacturing and construction industries took the southeastern area out of the category of substantial unemployment Batt said.

NEW HAVEN, Conn. (AP)—Vice Adm. Edward Lull Cochran, 67, USN (Ret.), chief of the Navy's Bureau of Ships during World War II, died Saturday. Cochran, who was vice president of Massachusetts Institute of Technology, retired from the Navy in 1947 after 35 years service.

## Expect 30 Million Sore Throats Daily Until April

By HAL BOYLE NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

It isn't man alone who is heart-sickened by civilization. A study of autopsies at the Philadelphia Zoological Gardens over a 40-year period showed a 20-fold increase in arteriosclerosis, or hardening of the arteries, among both birds and mammals.

Sole support: In the 12th century some Russian tribesmen wore shoes with iron soles. They were so durable they were handed down from generation to generation.

Black Death Worst Odd legislation: In New Hampshire there once was a law—and still may be for all I know—compelling every churchgoer to carry a gun.

The fuzz is familiar: Emperor Charlemagne ordered his soldiers to wear their beards outside their armor, so friends could better recognize each other from foes.

The world influenza epidemic of 1918-19 was one of the greatest plagues in history. It took 21 million lives. But in less than half a century after 1333, the black death killed an estimated 75 million persons in Europe and Asia.

Money's Life Short The price of nonvegetarianism: erage U. S. dollar bill is now about nine months.

Our quotable notables: "Show me a thoroughly satisfied man," said Thomas A. Edison, "and I will show you a failure."

The price of nonvegetarianism: Some 130 million food animals are slaughtered annually in the United States, but only 20 per cent are killed by methods approved by the American Humane Association.

Americans may be deeply disturbed about their own educational institutions, but they are admired by many abroad. This year more than 47,000 foreign students from 131 countries are attending U. S. colleges.
